

# Chord Type 0 2 3 in All Keys

Treble Clef, 3 Notes, Diamorphic Scale Degrees:123

Stanley Jordan

**Root = 0 (C)**                      0:0                      0:2                      0:3

Musical staff showing three chords in treble clef: C (0:0), C major (0:2), and C minor (0:3).

**Root = 1 (C#)**                      1:0                      1:2                      1:3

Musical staff showing three chords in treble clef: C# (1:0), C# major (1:2), and C# minor (1:3).

**Root = 1 (Db)**                      1:0                      1:2                      1:3

Musical staff showing three chords in treble clef: Db (1:0), Db major (1:2), and Db minor (1:3).

**Root = 2 (D)**                      2:0                      2:2                      2:3

Musical staff showing three chords in treble clef: D (2:0), D major (2:2), and D minor (2:3).

**Root = 3 (D#)**                      3:0                      3:2                      3:3

Musical staff showing three chords in treble clef: D# (3:0), D# major (3:2), and D# minor (3:3).

**Root = 3 (Eb)**                      3:0                      3:2                      3:3

Musical staff showing three chords in treble clef: Eb (3:0), Eb major (3:2), and Eb minor (3:3).

**Root = 4 (E)**                      4:0                      4:2                      4:3

Musical staff showing three chords in treble clef: E (4:0), E major (4:2), and E minor (4:3).

**Root = 5 (F)**                      5:0                      5:2                      5:3

Musical staff showing three chords in treble clef: F (5:0), F major (5:2), and F minor (5:3).

**Root = 6 (F#)**                      6:0                      6:2                      6:3

Musical staff showing three chords in treble clef: F# (6:0), F# major (6:2), and F# minor (6:3).

**Root = 6 (Gb)**

6:0                      6:2                      6:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note Gb2 (two ledger lines below the staff). The third measure contains a whole note Gb3 (first line below the staff).

**Root = 7 (G)**

7:0                      7:2                      7:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note G2 (second space below the staff). The third measure contains a whole note G3 (second space below the staff).

**Root = 8 (G#)**

8:0                      8:2                      8:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note G#2 (second space below the staff with a sharp sign). The third measure contains a whole note G#3 (second space below the staff with a sharp sign).

**Root = 8 (Ab)**

8:0                      8:2                      8:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note Ab2 (second space below the staff with a flat sign). The third measure contains a whole note Ab3 (second space below the staff with a flat sign).

**Root = 9 (A)**

9:0                      9:2                      9:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note A2 (third space below the staff). The third measure contains a whole note A3 (third space below the staff).

**Root = 10 (A#)**

10:0                      10:2                      10:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note A#2 (third space below the staff with a sharp sign). The third measure contains a whole note A#3 (third space below the staff with a sharp sign).

**Root = 10 (Bb)**

10:0                      10:2                      10:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note Bb2 (third space below the staff with a flat sign). The third measure contains a whole note Bb3 (third space below the staff with a flat sign).

**Root = 11 (B)**

11:0                      11:2                      11:3

A musical staff in treble clef showing three measures. The first measure contains a whole rest. The second measure contains a whole note B2 (third space below the staff). The third measure contains a whole note B3 (third space below the staff).

69

An empty musical staff in treble clef.
